Mr. Fitzgerald,

I am writing to express my appreciation for the professional way in which you, and your Department, handled my dock permit. In spite of the increasing difficulty of obtaining a permit, due to the numerous requirements and the expanding list of agencies that are involved, you facilitated your part of the permit process in a timely manner allowing me to proceed with my building plans on schedule. In addition, you were extremely patient, and helpful, with my many questions. In my opinion, you are a commendable asset to the State of Washington Department of Fish and Wildlife.

Sincerely,

Jeff Powell
